CONCEPT

DAY 1 | **ON-LINE** Conference Day with keynote speeches

DAY 2 | **ON-LINE** Conference Day with two topics

ATTENDANCE CERTIFICATE

The conference is accepted by the international assessor certification scheme (intacs™) as active or passive experience evidence (EE-EP, EE-AC). Participants should follow certain **steps to get the attendance certificate:**

- **Register** for the conference (You have to stay in the meeting for 12+ hours totally during 2 days)
- Please **join-in the conference link 15mins before** starting time (every day) for sign-in procedure
- **Change your ID to "registered name - company"**, and finish the procedure according to the request from the organizer (you may be requested to open the camera or open the microphone, please choose your equipment which can support these functions)
- Enjoy your participation and **finish the feedback** form by the end according to the request from the organizer
- Within 7 days after the conference closed, you will receive your certificate by email from the organizer to your registered e-mail account.

TARGET AUDIENTS

- Corporate Management
- Software related Engineers, Management and Experts (incl. Developers, Integration & Test Engineers, Project Managers, Product Managers, Configuration Management, Quality Assurance, Architect...)
- ASPICE Assessors & Process Engineers
- Functional Safety, Cyber Security, Information Security related Responsible
- Colleagues from other industries wishing to learn from the experience of software quality management in the automotive industry

ENTRANCE FEE (incl. VAT)

On-line Conference Ticket: 1,500 RMB/person (Members: 1,200 RMB/person)

NOTE: Group discount is available with 4 or more participants from the same organization.

HOW TO REGISTER

Contact our staff for the application form or scan the QR code
Ms. Joyce CAO, Tel.: +86-10-65900067 ext. 221

Day 0 | Workshop on Cyber Security

Address: TBD

Moderator:
Ms. Qi WANG | Chairman of Software Quality Advisory Board / Head of EE-System & New Technique, FAW-VW

TIME	TOPIC	SPEAKER	LAN
08:00-09:00	Registration		
09:00-09:05	Welcome Note	Prof. Tilman Tillmann General Manager, VDA QMC China	EN
09:05-12:00	Workshop 1: Auto Cyber Compliance in China	Mr. Frank WU Director, KPMG	CN
12:00-13:00	Lunch Break		
13:00-16:00	Workshop 2: Integrated approach for FuSa and SOTIF, and the process implementation on Stages	Mr. David Li Regional Engineering Manager UL Solutions	CN
		Mr. Jinfei WANG Senior Product Consultant, Method Park by UL	CN
16:00	End of Workshop on Cyber Security		

NOTE:
No simultaneous interpretation service on Day 0
The above preliminary program may change slightly until the workshop day

~~26 Oct. (Wed.)~~ postponed, NEW Date to be announced
Day 0 | Workshop on ASPICE
Address: TBD

Moderator:
Ms. Maggie CHEN | Senior Quality Manager/Trainer, VDA QMC CHINA

TIME	TOPIC	SPEAKER	LAN
08:00-09:00	Registration		
09:00-09:05	Welcome Note	Ms. Qi WANG Chairman of Software Quality Advisory Board Head of EE-System & New Technique, FAW-VW	CN
09:05-12:00	Workshop 3: ASPICE Cybersecurity standards mapping	Ms. Xi ZHANG Senior consultant EAST Consulting (China)	CN
12:00-13:00	Lunch Break		
13:00-16:00	Workshop 4	Mr. Jianxiang Yu Partner Software Quality Manager of Nio	CN
16:00	End of Workshop on ASPICE		

NOTE:
No simultaneous interpretation service on Day 0
The above preliminary program may change slightly until the workshop day

27 Oct. (Thur.)
Day 1 | Conference day

Moderator:
Prof. Tilman Tillmann | General Manager, VDA QMC China

TIME	TOPIC	SPEAKER	LAN
08:45-09:00	Participants enter the online conference link		
09:00-09:05	Opening speech	Prof. Tilman Tillmann General Manager, VDA QMC China	EN
09:05-09:30	Speech 1: Importance of Software and Cyber Security	Prof. Tilman Tillmann General Manager, VDA QMC China	EN
09:30-10:00	Speech 2: Automotive information security compliance evaluation solutions under national and international standards and regulations	Mr. Xuebin SHAO Vice Minister of CATARC Software Testing (Tianjin) Co., Ltd.	CN
10:00-10:10	Break		
10:10-10:40	Speech 3: Automotive cybersecurity development trend and compliance construction suggestion	Ms. Haijun WANG Manager of Intelligent Networking Department-China Automotive Data Co., Ltd.	CN
10:40-11:10	Speech 4: Gathering for automotive software quality promotion	Ms. Qi WANG Chairman of Software Quality Advisory Board Head of EE-System & New Technique, FAW-VW	CN
11:10-11:20	Break		
11:20-11:50	Speech 5: New focus in era of digitalization from software Quality aspect	Mr. Xiaogang TIAN Software Quality Assistant Manager, Smart Quality Volkswagen Group China	CN
11:50-12:00	Q&A with all speakers in the morning session		
12:00-13:00	Lunch Break		
13:00-13:30	Speech 4: Industry demands and key issues in China on Auto Software and Operating System	Mr. Xiang GAO Director, Supply Chain Research and Collaborating Center, China EV100 / General Manager, CQC-EV100 Supply Chain Technology Co., Ltd.	CN

TIME	TOPIC	SPEAKER	LAN
13:30-14:30	Speech 7: Your thoughts on Auto SW Q	Mr. Ken Lai Senior Director QM Mechatronics software Schaeffler Automotive Technologies	CN
		Ms. Ting YOU QM Mechatronic & Software, Schaeffler	CN
		Ms. Qi WANG Chairman of Software Quality Advisory Board Head of EE-System & New Technique, FAW-VW	CN
14:30-14:40	Break		
14:40-15:10	Speech 8: Challenges for know-how building and qualification of assessors for Cybersecurity and future Automotive SPICE 4.0 topics	Mr. Bernhard SECHSER intacs™ Principal Assessor & Instructor Member of the intacs™ Advisory Board Managing Director of Process Fellows GmbH	EN
15:10-15:40	Speech 9: Automotive SPICE 4.0 - Status and Outlook	Mr. Albrecht Wlokka BBM Quality Management Information Technology (M/QMI) of Robert Bosch GmbH / Leader of Project Group13 (VDA ASPICE Standard working group)	EN
