ABOUT FONDUE

Fondue, 源自法语“fondre”, 意为“融化”。芝士火锅起源于 18 世纪的瑞士法语瑞士地区, 是农家在冬季利用有限资源的一种手段。

带着一些剩下的奶酪, 一些不新鲜的面包, 还有一点酒, 一家人就可以围在壁炉边了。从这些简单的开始, 火锅就成为了瑞士冬季的传统。

Fondue, which comes from the French “fondre”, meaning “to melt.” Fondue had its origins in 18th century in the Swiss French part of Switzerland as a means for farm families to stretch their limited resources during the winter months. With some remaining cheese, some stale bread, and a dash of wine the family could gather around the hearth.

From these simple beginnings, fondue became a Swiss winter tradition.
